

DECLARATION OF RoHS/REACH CONFORMITY

Santander, 19th August 2024

ACORDE Technologies, S.A. (hereinafter referred to as **ACORDE**) has taken all reasonable steps to confirm producers' statements and other evidence regarding the absence of the restricted substances to support the manufacturers' claim of compliance. We like to ensure you that we take all steps necessary to assure the continual supply of products of reliable quality.

RoHS Compliance

ACORDE products delivered directly to your company or supplied through a third party are in conformance to the RoHS directives with no exemptions, following the guidance provided by standard EN IEC 63000:2018.

For reference, in compliance with WEEE (EU Directive 2012/19/EU), RoHS (EU Directive 2011/65/EU) and its amendments EU Directive 2015/863 (RoHS 3) and EU Directive 2017/2102, the maximum concentration values of the restricted substances by weight in any homogenous materials are: Cadmium/Cadmium Compounds [0.01%], Hexavalent Chromium/ Hexavalent Chromium Compounds [0.10%], Lead/Lead Compounds [0.10%], Mercury/Mercury Compounds [0.10%], Polybrominated Biphenyls (PBBs) [0.10%], Polybrominated Biphenylethers (PBDEs) [0.10%], Bis(2-Ethylhexyl) phthalate [0.10%], Benzyl butyl phthalate [0.10%], Dibutyl phthalate [0.10%], and Diisobutyl phthalate [0.10%].

ACORDE will continuously review, update and act accordingly in compliance with RoHS directives. In the unlikely situation that ACORDE product were found to contain any of the regulated substances, **ACORDE** would comply with the notification procedures required under RoHS legislation.

REACH Compliance

In the same way, **ACORDE** products are manufactured in accordance with REACH regulation (EC No 1907/2006), avoiding any Substances of Very High Concern for Authorization listed in last revision (27/June/2024).

ACORDE will continuously review the ECHA "Candidate List" for additions and updates and act accordingly in compliance with REACH regulations. In the unlikely situation that **ACORDE** product is found to contain SVHCs more than 1000 ppm by weight, **ACORDE** will comply with the notification procedures required under REACH legislation. In the meantime, **ACORDE** will also use its best efforts to update the design and eliminate the SVHC in the products.

Manuel Lobeira
CEO
